

## Route 66 Articles

*Route 66 through Williams, Arizona in 1958.*

So many newspaper articles and pieces on Route 66 have been done in smaller magazines with limited circulation, that is impossible to list or access them. The list below contains dated references to Route 66 articles in some of the more accessible periodicals published in the US. Many public libraries and most universities should be able to obtain copies. NOTE: If your research uncovers additional material, please e-mail complete references to us. We'll be glad to credit you and include them in future revisions.
